UniMemo

Excavation of Convenience

Buy & deliver in passing

10 % of price of commodity as commission

Online Payment Platform

Build trust. Peace of mind for advance payments.

Business Partners

<u>Protect interests</u>. Refund for unchecked commodity.

Two-way Evaluation

Value opinions. Record and follow up low-rated interactions.

Anonymous Communication

<u>Respect privacy</u>. Ensure personal information stays private.

Roadshow Algorithm

Connect convenience. Search for Memo on your way.

Excavation of Convenience

A platform where people can safely help buy and deliver in passing.

Offerer

- Shopping List†
- Place & time for settlement
- Deposit (advance payment: <u>total budget + 10%</u>)

† consists of items of commodity, number of items, shopping point. Offerer searches

keywords of commodity and further confirms with the names, pictures, barcodes provided.

Bypasser

- **Shopping** List (in passing)
- Place & time for settlement (in passing)
- Deposit (paid by offerer)

Business Partners

- Shopping List (commodity check[†]and sealing[‡])

† 商戶職員用驗單終端來導入代買清單以驗對商品和數量，從而確定接單人最終代付金額。

‡ 商戶用特定的密封用袋來封裝代買商品。一經開啟，接單人即失去商戶退款的承諾保障。

Welcome and encourage participation from all individuals
